2) Premarital conferences with the minister or the substitute are required, the number to be determined in advance.
3) No alcoholic beverages may be consumed on the church property at the time of the rehearsal and the wedding, and any inebriated attendant will be requested to leave.
4) A non-refundable $100 security fee is required **after approval** has been given.
5) Non-members of the church are requested to pay a $600 fee for use of the church due one month before the wedding. Request may be made for extenuating circumstances on the fee, which should be sent in written form for evaluation by the Wedding Committee.
