If you wish stay in your car, you may listen on the radio.

**As the next step in planning and implementing the restoration of our roof, a team from Bennett Restoration Engineering, Charleston, SC. was here last week to further evaluate our roof.** When we receive their report, we should have a better understanding of the structural repairs, etc. that will be needed before we have the new roof installed.

**Thanks to all who volunteered last Thursday to clean-up the fellowship hall and church kitchen.** We had lots of helpers who dusted, cleaned, put things back in their right places, cleared out what was not needed and took the recycling and trash to the dump. Everything is sparkling. Thanks to Charlotte Davila for leading the clean-up.
